## CERTIFIKATE

No. 0013/WL/23/C

Manufacturer:

(Manufacturer or its authorized representative)

Essential manufacturing facility(ies):

(Production site of the manufact.)

**Technical specification:** 

**Execution class:** 

Welding Process(es):

(Reference No. acc.to DIN EN ISO 4063)

Parent Material(s): (Grade/Standard)

Responsible Welding Coordinator:

(Title, First name, Name, Qual.)

Deputy:

(Title, First name, Name, Qual.)

Confirmation:

Valid from:

Valid until:

Validity conditions:

UNIMONT - VMS, s.r.o. M. R. Štefánika 2630/214 SK - 093 01 Vranov nad Topľou

Toplianska 1126/15 SK - 093 01 Vranov nad Topľou

EN 1090-2:2018

do EXC 3

111 – Shielded Metal Arc Welding (SMAW/E)

135 – Gas Shielded Metal Arc Welding (GMAW/MAG)

1.1, 1.2, 3.1 according CEN ISO/TR 15608 and

EN 1090-2, table 2 and 3;

Mr. Martin Hruščák, level C acc. EN ISO 14731

Mr. Miroslav Baran, level C acc. EN ISO 14731

Based on the results of the examination, we confirm that the relevant requirements of the above technical specification

have been met.

09.10.2023

08.10.2026

This certificate remains valid as long as the conditions of the above mentioned technical specifications in reference or the

manufacturing conditions in the factory are not modified

significantly.

Product certification body TÜV Thüringen Slovakia s.r.o.

Nitra, 09.10.2023

## Scope of activities:

- 1. Kind of Products: Production of machine parts, steel structures. Instalation, redesign, repairs and maintenance
- 2. Product standards: EN 1090-2, customers specification
- **3. Special production processes:** welding, cutting, mechanical connections, assembly and corrosion protection
- 4. Other standards or specifications: punching, cold forming and flame straightening

Remarks: All other relevant data are detailled in our report No. SK02/1371-02/23/AS-WL.

## Validity conditions and general conditions:

- The certificate is issued for a definite period and shall only promote its holder, the product and production places mentioned therein.
- The transmission of this certificate to third parties is inadmissible as well as its use by third parties.
- Changes of the technology of production, devices, welding proceedings and responsible persons against to the certified model have to be announced to the TÜV Thüringen Slovakia s.r.o. immediately. This fact may cause the certificate continuation dependent on an additional conformity evaluation.
- The validity of this certificate is for welded structures conditioned by the implementation of the quality management system for the welding conform to the requirements of the standard EN ISO 3834-3.
- This certificate does not replace the certificate of factory production control for manufacturer of steel constructions as building products in terms of the Regulation (EU) No 305/2011 of the European Parliament and of the Council.
- The certificate shall only be reproduced complete including all annexes.
- The certificate holder commits to keep records of all relevant complaints concerning the conformity of the products with the requirements of regulations and standards and make those records available to TÜV Thüringen Slovakia s.r.o..
- Should there be any doubts pertaining to the qualification of the company, TÜV Thüringen Slovakia s.r.o. shall
  - have the right to inspect the company and to carry out tests at the company at any time without prior notification.
- Not specified items (advertising, using of the certificates etc.) are governed by the General Terms and Conditions for the Certification of Processes and Services, as amended.
- This certificate can be withdrawn, amended or modified with immediate effect and without any compensation, if the conditions under which it was issued have changed or if the stipulations and provisions outlined in this certificate or the pertinent report have not been observed.
- Application for renewal should be submitted to TÜV Thüringen Slovakia s.r.o. at least 2 months
  prior to expiry of the certificate.
